

 شركة البرهان الامنية Al-Burhan Security	Al-Burhan Security Statement of Applicability	
	Doc No: ABS- 134	Date: 30 th April 2020
Title: Statement of Applicability		

STATEMENT OF APPLICABILITY

Al-Burhan Security is a bespoke security provider that supplies manned guarding, risk management, secure transportation, journey management and personal security in Iraq. To assist our business objectives, the scope and intent of our Quality Management System and Standard Operating Procedures are to define and communicate our commitment to continually enhance customer satisfaction through:

- effective process improvements to all systems of the business;
- to assure conformity to our customer's and applicable statutory and regulatory requirements;
- provide policies, procedures developed and implemented with the primary focus to assure the continued compliance of the requirements of the International Standard ISO 9001:2015, ISO 18788:2015 and PSC-1:2012

The following clauses of the following standards were determined to be not applicable to Al-Burhan Security.

ISO 9001:2015

8.3 Design and development of products and services – Al-Burhan Security does not perform design activities. Therefore, the fulfilment of the requirements of this clause are not applicable to our QMS.

ISO 18788:2015

8.3.6 Use of force in support of law enforcement – Al-Burhan Security does not perform Law Enforcement activities.

8.5.1 Law enforcement support – Al-Burhan Security does not operate as a law enforcement security provider or support operation provider and has no current external contracts where the above exclusions would be warrant

8.5.2 Detention Operations - Detention operations fall outside of the scope of ISO 18788:2015 and are not conducted by Al-Burhan Security.
